1.	Comment. The castle in Oranienburg was first observed	• *
	occupied by KVP on 23 October 1952. The occupation has increased	
	the Armeegruppe Nord, and some probably from Saxony.	25X1A
	branches of service were also transferred to Oranienburg in addition to the AAA.	
2.	comment. It is probable that the Weisse Stadt may also be occupied by units of the KVP. The buildings which previously quartered Soviet troops have been vacent since early November 1952.
